

August 10 - November 9

Donations Accepted Mondays 12-2 p.m.
Food Distribution Mondays 6-8 p.m

With the uncertainty and challenges of COVID-19, many children and families in our community find themselves facing food insecurity. Thanks to the success of our Summer Grocery program and a Federal grant, our food distribution effort has transformed into **My Neighbor's Pantry**.

Our goal: Serving 250+ families each week

HOW TO HELP

Donate donate donate! Our families need:

- Fresh vegetables and fruits
- Blocks of cheese
- Soap (hand and body)
- Toothpaste/toothbrushes
- Household cleaning supplies
- Detergent/liquid dish soap
- Laundry detergent
- Feminine hygiene products

We will be accepting items from the list above on **Mondays from 12-2 p.m.** at the Fellowship Hall, Chapel building. Just pull up in front of the double-doors, honk your horn, and a volunteer will come get the groceries from your car.
