## Goals

- Instill Christian attitudes, values, and actions.
- Promote a positive self worth in each child.
- Allow each child to mature and develop at his own pace, while experiencing the wonder and joy of learning.
- Encourage each child to think, reason, question, and experiment.
- Provide for each child's physical well being.
- Promote respect for individual and cultural differences.
- Work with parents, as partners, in reaching our goals.

Train up a child in the way he should go;  
and when he is old,  
he will not depart from it.
